INFORMATION ITEMS

• Cell Phones:

Many of our students are bringing cellphones to school. While at school, your child has access to a phone at the office, if contact with home is needed. When at school, we are asking ALL students to leave their cell phones in their locker or locked in the office during school time, if they chose to bring one to school. There should not be a need for cell phone use while at school. We appreciate everyone's cooperation with this.

• REMINDER: We are a "NUT FREE" School.

Please remember that we have students with life threatening allergies to nuts. PLEASE do not send any items to school in your child's lunch that contain nuts. Please note, nutella contains hazelnuts, therefore cannot be brought to school. Thank you for your understanding and cooperation in keeping our staff and students safe.

• Kindergarten Registration!

Kindergarten registration remains open, please encourage any Kinder aged children that you may know to register as soon as possible.
