There are times in Niagara when weather conditions are so poor that we must cancel student transportation, and/or close schools to preserve the safety of students and staff.

The decision to cancel transportation and/or close schools is not taken lightly; a variety of factors are considered when making this choice. To learn more about how these decisions are made, please go to <https://www.dsbn.org/inclementweather>.

Transportation Cancellations: Information about transportation delays and cancellations are posted to: <https://portal.nsts.ca/Cancellations.aspx>. When transportation is cancelled, every effort is made to communicate the decision by 6:00 am on the day of the cancellation. There are times when transportation is cancelled, but schools remain open. If, on those days you feel it is best for your child to stay
